

Double Feature - 'Mountain Flying' and 'Aircraft Performance'

The General Aviation Joint Steering Committee (GAJSC) and your local FAA Safety Team (FAASteam) are working together to present topics that improve aviation safety.

Our presentation topics are "Mountain Flying" and "Aircraft Performance".

Directions: Event will be held in the 1st floor conference room of the main airport building. For detailed driving directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally, or similar.

A message from the National FAASteam Manager

The quick brown fox jumped over the lazy dog's back
Sign up for the FAA's safety services at www.FAASafety.gov

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
